Project Name	Inventory Management System for Retailers

The screenshot shows the Sendinblue Dashboard in a web browser. The browser's address bar displays 'my.sendinblue.com/dashboard'. The dashboard has a dark blue header with navigation links: 'Campaigns', 'Automation', 'Transactional', 'Contacts', and 'Add more apps'. A user profile 'shijonida' is visible in the top right. On the left, a sidebar lists 'Dashboard', 'Email', 'Templates', 'Statistics', and 'Settings'. Below these are account details: 'Plan FREE', '300 emails Remaining for today', and '0 SMS Credits'. The main content area is titled 'Dashboard' and features a section 'Get started with email campaigns' with a 'Skip this step' link. It includes a progress indicator showing '33%' for 'Email campaigns setup' and three steps: 1. 'Complete your profile form' (marked with a green check), 2. 'Import all of your contacts' (marked with a person icon), and 3. 'Schedule your first email campaign' (marked with an envelope icon). A 'Help' button is in the bottom right corner of the dashboard area. The Windows taskbar at the bottom shows the search bar, task view, and various application icons, with the system clock indicating 21:29 on 31-10-2022.
